

SAFARI SERIES

MONKEY TOWER

with
MONKEY LOFT
& MONKEY ROOM

NEW
FOR 2011

A taller way to play, with fun options.

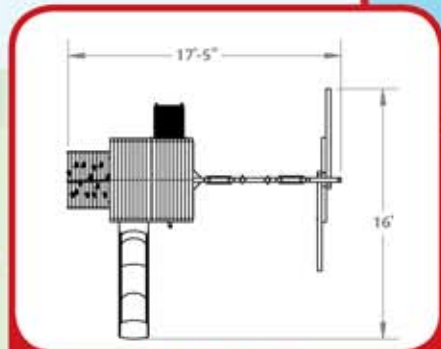

It's ALL included!

- rock wall with rope
- slippery slide
- higher-swinging swings
- higher-flying trapeze
- picnic table*
- ship's wheel
- telescope
- wood roof

Plus, powder-coated steel safety handles and a unique ladder with handles built in – making it easy to get on the deck. Upgrade with a fun option like the Monkey Loft or Monkey Room – or – you can add them both.

Because it's ChildLife® – safety, quality and environmental sustainability are built in:

- Quality lumber. Only from mills that meet or exceed the standards set forth by the FSC*
- Larger lumber. Better construction than comparable playsets.
- Meets all ASTM requirements for quality and safety.
- Recessed & capped hardware.
- Dacromet coated hardware to prevent rust.
- Specially formulated, non-toxic, water based stain/sealant; protects the playset for years to come.
- 10-Year Limited Warranty.

- Larger, 25 Sq. ft. Deck
- Taller, 58" Deck Height
- Taller, 85" Swing Beam
- 11' Total Height
- 17' 5" Wide X 16' Deep (See above)

*Monkey Room does not include Picnic Table
